

30 DAY DOPAMINE DETOX

FOCUS AND CONTROL FOR
YOUR EXAM PERIOD

Welcome!

This workbook gives you 30 days of clear actions
–
no theory.

Ground Rules:

- Write down the date & check it off daily.
- Start with your main task (your “Frog”).
- Stick to your social media limit.
- Time needed: 15–30 minutes a day, on top of your studies.
- No perfectionism: 80% execution is enough.

How to Use This Workbook

Follow these 3 steps:

- Write the date at the top.
- Follow the order: Morning Kick → Main Task → Mini-Challenge → Evening Check.
- Log your social media time in the weekly checkups.

Tip: Use a timer (Pomodoro). Print the page or open the PDF on your tablet.

Day 1

Morning Kick (2–3 min):

- Take 3 deep breaths.
- Drink a glass of water.

Main Task (concrete):

Write down 3 exam goals (1 sentence each).

Example: "In math I want to understand formulas X."

Action Steps:

1. Set a 25-min timer.
2. Write down Goal 1.
3. Work 1 Pomodoro.

Social Media Limit:

Max. 60 min today — log your actual time in the evening.

Mini-Challenge (10–15 min):

Put your phone in another room for 60 minutes.

Pomodoro:

1 × 25/5 recommended.

Evening Check (5 min):

- What was my biggest distraction today? _____
- Focus Score (1–10): _____
- Reward for tomorrow: _____

Day 2

Morning Kick:

- Take 3 deep breaths
- 30 sec visualization: How does it feel to be fully focused?

Main Task:

Turn off push notifications for social apps.

(Guide: Settings → Apps → Disable notifications).

Action Steps:

1. Go through the steps.
2. Test 10 minutes without notifications.

Social Media Limit:

Max. 50 min.

Mini-Challenge:

Track every app use today (short note: app + duration).

Pomodoro:

2 × 25/5.

Evening Check:

- Which app distracted me the most? _____
- Focus Score: ____ /10
- Reward: _____

Day 3

Morning Kick:

- Drink 1 glass of water
- 1 min stretch

Main Task:

Track your screen time today:

Go to Settings → Screen Time → Take a screenshot or note it down.

Action Steps:

1. Screenshot in the morning
2. Screenshot in the evening
3. Write down the difference

Social Media Limit:

Max. 45 min.

Mini-Challenge:

15 minutes fully without your phone (e.g. study with a notebook).

Pomodoro:

3 × 25/5.

Evening Check:

- Screen time morning vs. evening: _____
- Focus Score: _____
- Reward: _____

30 Day Dopamine Detox

Day 4

Morning Kick:

- 3 deep breaths
- 30 sec eye exercise (look into the distance)

Main Task:

Create your morning routine (3 points)

e.g. drink water, 5 min planning, 10 min study — write it down.

Action Steps:

Try the routine once (keep it realistic, not too long).

Social Media Limit:

Max. 45 min (no social media before 10:00 a.m.).

Mini-Challenge:

No scrolling before breakfast.

Pomodoro:

2 × 50/10 or 4 × 25/5.

Evening Check:

- Did I stick to my morning routine? Yes / No — why? _____
- Focus Score: _____
- Reward: _____

Day 5

Morning Kick:

- 3 deep breaths
- Quick goal reminder

Main Task ("Frog"):

Work 50 min undisturbed on your most important study task (e.g. read/practice a chapter).

Action Steps:

1. Clear your workspace
2. Set a 50-min timer
3. Take a 10-min break afterwards

Social Media Limit:

Max. 40 min.

Mini-Challenge:

After the focus block: 10 min mindful breathing as a reward.

Pomodoro:

1 × 50/10 recommended.

Evening Check:

- What did I achieve in the 50 min? _____
- Focus Score: _____
- Reward: _____

Day 6

Morning Kick:

- Drink 1 glass of water
- 1 min affirmation: "I can stay focused."

Main Task:

Test a Pomodoro app (e.g. Pomofocus).

Do 4 × 25 min on one topic.

Action Steps:

1. Choose your topic
2. Complete 4 Pomodoros
3. Take notes

Social Media Limit:

Max. 35 min.

Mini-Challenge:

Use breaks mindfully (no scrolling — do a quick stretch or a 2-min walk).

Pomodoro:

4 × 25/5.

Evening Check:

- How many Pomodoros did I complete? ____
- Focus Score: ____
- Reward: _____

Day 7

Morning Kick:

- 5 deep breaths
- Look at the weekly goal.

Main Task: Choose 1 topic today, work on it 3×50 min (Deep Work).

Concrete Steps:

1. Choose a topic
2. 3 Deep Work blocks
3. Short note after each block

Social Media Limit: max. 35 min.

Mini-Challenge: No phone during breaks, instead go for a 5-min walk.

Pomodoro: 3×50/10.

Evening Check:

Were you able to maintain Deep Work? Yes / No → Why? _____

Focus Score: _____

Reward: _____

Weekly Checkup 1 (Week 1: Day 1-7)

Metrics (to fill in):

Days fully completed: __ /7

Average social media time per day: __ min

Average focus score (1-10): __ /10

Total Pomodoros: __

Reflection:

What went best this week? _____

Which distraction was consistent? _____

3 things I'll continue next week:

- 1) _____
- 2) _____
- 3) _____

- 1 thing I'll radically change: _____
- Goal for Week 2 (specific, measurable) e.g., "Max 40 min SM/day; 3×50 min Deep Work per week" → _____
- Reward if goal is achieved: _____

Day 8

Morning Kick:

- 3 deep breaths
- Repeat your goal for the day

Main Task: Radically clean up your workspace (10–15 min):
clear desk, organize notes.

Concrete Steps:

1. Remove all distractions
2. Prepare all necessary materials

Social Media Limit: max. 30 min

Mini-Challenge: Study 25 min with browser closed (tab blocker recommended)

Pomodoro: 3×25/5

Evening Check:

How did the clean workspace feel? _____

Focus Score: ____

Reward: _____

Day 9

Morning Kick:

- 1 glass of water
- 30 sec visualization

Main Task: Try 5×50/10 Pomodoros for one topic. Note your results.

Concrete Steps:

1. Choose a topic
2. Complete 5×50 min sessions
3. Take short notes

Social Media Limit: max. 30 min

Mini-Challenge: During breaks, do short mindful walks (2–5 min)

Pomodoro: 5×50/10

Evening Check:

How many 50-min sessions completed? ____

Focus Score: ____

Reward: _____

Day 10

Morning Kick:

- 3 deep breaths
- 1 positive affirmation

Main Task: 4 hours of media fasting in two blocks (e.g., 9–11 & 15–17).

Note how you used the time.

Concrete Steps:

1. Plan activities without your phone
2. Set a timer

Social Media Limit: only 20 min today (except emergencies)

Mini-Challenge: Instead of social media, read or study flashcards for 30 min

Pomodoro: 4×25/5

Evening Check:

How did I use the media-free time? _____

Focus Score: _____

Reward: _____

Day 11

Morning Kick:

- Quick stretching
- 1 min focus breathing

Main Task: Revise your study plan: prioritize 5 topics (list + schedule)

Concrete Steps:

1. Write down topics
2. Assign time blocks

Social Media Limit: max. 30 min

Mini-Challenge: Work 30 min on the hardest topic first

Pomodoro: 3×25/5

Evening Check:

Did I prioritize the 5 topics? Yes/No → Details: _____

Focus Score: _____

Reward: _____

Day 12

Morning Kick:

- Water
- 1 min gratitude (for what you've already achieved)

Main Task: Create a point system: e.g., 10 points for completing the daily goal, 5 points for 3 Pomodoros. Write down a reward goal (e.g., 100 points = movie).

Concrete Steps:

1. Write down the point system
2. Apply it today

Social Media Limit: max. 30 min

Mini-Challenge: Earn at least 20 points today

Pomodoro: 4×25/5

Evening Check:

Points today: ____

Focus Score: ____

Reward: _____

Day 13

Morning Kick:

- 2 min breathing exercise

Main Task: Replace social media today with 30 min of reading/walking — note mood before/after

Concrete Steps:

1. Plan the replacement activity
2. Actively do it

Social Media Limit: max. 25 min

Mini-Challenge: Note your mood (morning / evening)

Pomodoro: 3×25/5

Evening Check:

Mood morning: ____; evening: ____

Focus Score: ____

Reward: ____

Day 14

Morning Kick:

- 3 deep breaths
- Quick check of goals

Main Task: Do 2×90 min study blocks today (with a clear break in between). Note the content.

Concrete Steps:

1. Choose a topic
2. 90 min block
3. 30 min break

Social Media Limit: max. 25 min

Mini-Challenge: Be offline during breaks (no scrolling)

Pomodoro: 2×90/30 recommended

Evening Check:

Content of the 2 blocks: _____

Focus Score: ____

Reward: _____

Weekly Checkup 2 (Week 2: Day 8-14)

Metrics:

Days fully completed: __ /7

Average SM time: __ min

Average focus score: __ /10

Total Pomodoros: __

Reflection:

What was new/different this week? _____

Which strategies worked? _____

3 things to continue:

-

- 1) _____

- 2) _____

- 3) _____

- 1 thing to change: _____

- Goal for Week 3: e.g., "2×90 min Deep Work/week; max 20 min SM/day" → _____

- Reward: _____

Day 15

Morning Kick:

- 3 deep breaths
- Quick loosening/stretching exercise

Main Task (Deep Work): 3×90 min study blocks on one topic (quiet place, no notifications)

Concrete Steps:

1. Choose a topic
2. Complete all 3 blocks
3. Take notes & write a short summary

Social Media Limit: max. 20 min

Mini-Challenge: 10 min of movement after each 90-min block

Pomodoro: 3×90/15

Evening Check:

What did I accomplish in the 90-min blocks? _____

Focus Score: _____

Reward: _____

Day 16

Morning Kick:

- 1 glass of water
- 1 min visualization

Main Task (Simulation): Start an exam simulation: choose 1 topic, set real exam time (e.g., 60 min), work under exam conditions

Concrete Steps:

1. Prepare materials
2. Start the timer
3. Note mistakes

Social Media Limit: max. 20 min

Mini-Challenge: 10 min error analysis immediately after the simulation

Pomodoro: Simulation as 60/0 block

Evening Check:

Test result / mistakes: _____

Focus Score: _____

Reward: _____

Day 17

Morning Kick:

- Breathing exercise
- 1 min stretching

Main Task: Stress exercise: 15 min guided breathing + 10 min stretching before study session

Concrete Steps:

1. Complete the breathing exercise
2. Start studying immediately after

Social Media Limit: max. 20 min

Mini-Challenge: Note stress level before/after (scale 1–10)

Pomodoro: 3×25/5

Evening Check:

Stress level morning / evening: ____ / ____

Focus Score: ____

Reward: _____

Day 18

Morning Kick:

- 1 glass of water
- Quick motivation: "Today is prep day"

Main Task: Develop a pre-study ritual (e.g., 1 min breathing, 30 sec music, materials ready). Try it 3×.

Concrete Steps:

1. Write down the ritual
2. Apply it 3×

Social Media Limit: max. 20 min

Mini-Challenge: No screens 10 min before study start

Pomodoro: 4×25/5

Evening Check:

Ritual applied? 3× Yes/No; Notes: _____

Focus Score: _____

Reward: _____

Day 19

Morning Kick:

- 3 deep breaths
- 30 sec goal check

Main Task: List your top 5 distractions + write a concrete countermeasure for each (e.g., phone → in drawer)

Concrete Steps:

1. Create the list
2. Test the measures in the next study session

Social Media Limit: max. 20 min

Mini-Challenge: Implement 2 countermeasures and note the effect

Pomodoro: 3×25/5

Evening Check:

Which measures helped? _____

Focus Score: _____

Reward: _____

Day 20

Morning Kick:

- 1 glass of water
- 1 min planning

Main Task (Simulation 2): Repeat exam simulation + 15 min error analysis afterward

Concrete Steps:

1. Conduct the simulation
2. Categorize mistakes (knowledge vs. time management)

Social Media Limit: max. 20 min

Mini-Challenge: Find 1 concrete thing you can change immediately

Pomodoro: Simulation as 60/0 block

Evening Check:

Main mistake category: _____

Focus Score: ____

Reward: _____

Day 21

Morning Kick:

- 3 deep breaths
- Quick stretching

Main Task: Review this week's top 3 concepts for 30 min each (flashcards/notes)

Concrete Steps:

1. Choose the top 3 concepts
2. Review each for 30 min

Social Media Limit: max. 15–20 min

Mini-Challenge: Test yourself on each concept (5 questions)

Pomodoro: 3×30/10

Evening Check:

Did I review the top 3? Yes / No → Notes: _____

Focus Score: _____

Reward: _____

Weekly Checkup 3 (Week 3: Day 15-21)

Metrics:

Days fully completed: __ /7

Average SM time: __ min

Average focus score: __ /10

Pomodoros / Deep Work blocks: __

Reflection:

What was the biggest improvement this week? _____

Which methods will remain? _____

3 things to continue:

-
- 1) _____
- 2) _____
- 3) _____

- 1 thing to change: _____
- Goal for Week 4: e.g., "Complete exam simulation + sleep routine" → _____
- Reward: _____

Day 22

Morning Kick:

- 3 deep breaths
- 30 sec goal visualization

Main Task: Identify your 2 best study times (e.g., 9–11 & 18–20) and schedule 2 focus blocks today during these times

Concrete Steps:

1. Write down the times
2. Complete 2 focus blocks

Social Media Limit: max. 15 min

Mini-Challenge: Adjust breaks to be active (movement)

Pomodoro: 2×50/10

Evening Check:

Best study times identified? Yes / No → Notes: _____

Focus Score: _____

Reward: _____

Day 23

Morning Kick:

- Water
- 1 min flashcard warm-up

Main Task: Create flashcards for 3 core topics (min. 30 cards total)

Concrete Steps:

1. Choose topics
2. Write cards
3. Test 10 cards

Social Media Limit: max. 15 min

Mini-Challenge: Test 30 flashcards today (quickly)

Pomodoro: 4×25/5

Evening Check:

Number of flashcards created: ____

Focus Score: ____

Reward: _____

Day 24

Morning Kick:

- 3 deep breaths
- 20 sec progressive muscle relaxation (short)

Main Task (Sleep & Recovery): Implement screen-off 60 min before bedtime today. Note sleep duration & quality.

Concrete Steps:

1. Set screen-off time
2. Follow evening routine (reading/stretching)

Social Media Limit: max. 15 min

Mini-Challenge: Go to bed earlier today (goal: +30 min)

Pomodoro: Light review 2×25/5

Evening Check:

Sleep duration: ____; Sleep quality (1–10): ____

Focus Score: ____

Reward: _____

Day 25

Morning Kick:

- 1 glass of water
- 1 min affirmation

Main Task (Exam Strategy): Create your exam day checklist: materials, schedule, breaks, snacks, clothing. Write out the plan hour by hour.

Concrete Steps:

1. Create the checklist

Concrete Steps:

1. Write the affirmations
2. Repeat them aloud 3× during the day

Social Media Limit: max. 15 min

Mini-Challenge: Repeat affirmations before each study block

Pomodoro: 3×25/5

Evening Check:

Did I use the affirmations? Yes/No → Effect: _____

Focus Score: _____

Reward: _____

Day 27

Morning Kick:

- 1 glass of water
- 1 min loosening/stretching exercise

Main Task (Final Simulations): Do a compact exam simulation (approx. 2 hours) and perform a precise error analysis afterward

Concrete Steps:

1. Simulation
2. Create error lists
3. Note to-dos for gaps

Social Media Limit: max. 15 min

Mini-Challenge: Work on the 3 most frequent mistakes immediately (15 min each)

Pomodoro: Simulation as 120/20 optional

Evening Check:

Top 3 mistakes & plan to fix them: _____

Focus Score: _____

Reward: _____

Day 28

Morning Kick:

- 3 deep breaths
- Mini stretch

Main Task (Recovery Day light): Light review & leisure: study max. 2×25 min, spend the rest of the time intentionally resting (outdoors)

Concrete Steps:

1. 2×25 min study
2. 1 hour outdoor activity/movement

Social Media Limit: max. 20 min (only quick check-ins)

Mini-Challenge: Be active outdoors for 60 min (walk, exercise)

Pomodoro: 2×25/5

Evening Check:

Did you truly rest? Yes/No → Note: _____

Focus Score: _____

Reward: _____

Day 29

Morning Kick:

- 3 deep breaths
- Quick glance at goals

Concrete Steps:

1. Create missing cards
2. 2×30 min test runs

Social Media Limit: max. 15 min

Mini-Challenge: 2 intensive Pomodoro blocks on your weakest topic

Pomodoro: 2×30/10

Evening Check:

Number of corrected cards: ____

Focus Score: ____

Reward: _____

Day 30

Morning Kick:

- 3 deep breaths
- 1 min gratitude for progress

Main Task (Conclusion & Review): Conduct a full monthly review: What has changed? Note concrete benefits.

Concrete Steps:

1. Write 5 things that have improved
2. Identify 3 habits to keep

Social Media Limit: free today, but intentional (reflection)

Mini-Challenge: Plan your big reward (e.g., evening with friends)

Pomodoro: Light review block 1×25

Evening Check:

5 improvements: 1) ___ 2) ___ 3) ___ 4) ___ 5) ___

Which 3 habits will remain? 1) ___ 2) ___ 3) ___

Focus Score: ___

Reward: _____

Weekly Checkup 4 (Week 4: Day 22-30)

Metrics (total for 30 days):

Days fully completed: __ /30

Average SM time per day: __ min

Average focus score: __ /10

Total Pomodoros / Deep Work blocks: __

Final Reflection:

Top 5 biggest improvements: _____

Which 3 tools/methods helped the most? _____

What will I carry into my daily life long-term? _____

Next steps (specific): e.g., "Keep morning routine + 3× Deep Work/week" → _____

Long-term reward (plan): _____

Bonus: Checklist, Emergency Plan, Resources & FAQ

Exam Day Checklist (Short):

ID, pens, watch, calculators, snacks, water, timetable, scratch paper

Emergency Plan for Setbacks (3 Steps):

1. Go outside for 10 min
2. Do 1× Pomodoro (25 min)
